

SHEKINAH CHRONICLES

By: Nathan D. Pietsch

Dear Friends and Family,

January, 2011

January was an amazing month for Dawn and I on the mission field. We are still on the east coast, and loving it.

God showed up wonderfully in numerous ways. Here is a brief list of some of the highlights from the month.

- ✠ Preached at a church in Virginia
- ✠ People activated in the prophetic
- ✠ Prophetic words released
- ✠ People baptized in the Holy Spirit—evident by speaking in tongues
- ✠ Man received Jesus and delivered of satanic involvement in: astrology, the occult, science, metaphysics, witchcraft, magic eight ball, wigi board, Masonry, and numerology

PRAISE REPORT

I was asked to go with a friend named, “Josh” to pray over a house. Josh knew the person living there, named “Peter.” We knocked on the door, and Peter invited us in.

The inside of the house was both physically and spiritually dark. Peter had apparently destroyed the inside of it in an angry rage. Furniture was thrown everywhere, items were broken, and Peter’s knuckles were all bloody. As soon as we walked in, Peter began manifesting demons. He was speaking profanity, and saying all sorts of nonsense.

After a moment of assessing the situation, and keeping a cheerful look on my face, I simply asked

him if I could pray for him. I extended my hand out towards him, and he grabbed it. As I began to pray, he began to calm down.

I asked Peter if he wanted to rededicate his life to Jesus. He did want to, and accepted Jesus into his heart while I led him through the sinner’s prayer.

It was obvious though, Peter needed more deliverance from satanic strongholds. Josh and I then began to lead Peter into some prayers of deliverance and renunciations.

We we all standing up while we were going through some Holy Spirit directed prayers. The Holy Spirit began to remove stuff from Peter. He was standing on his feet, and the next second he was rolling around on the floor manifesting evil spirits. We began to cast them out in the name of Jesus.

After a few moments, Peter began to experience freedom, and began to laugh. God began to deliver him from a lot of dark deep roots of: astrology, the occult, science, metaphysics, witchcraft, magic eight ball, wigi board, Masonry, and numerology.

Peter got a lot of deliverance, but there is still more. I long for the day when a person gets totally set free by a word, like Jesus—He cast demons out with a word. (See Matt. 8:16.) However, some deliverance is better than none at all. A greater glory is coming soon. (See John 14:12.)
