

**SHEKINAH CHRONICLES**

By: Nathan D. Pietsch

Dear Friends and Family,

November, 2011

November was a wonderful month for Dawn and I on the mission field. Here is a brief list of some of the highlights from the month.

✠ Numerous people received Jesus, baptized in Holy Spirit, speak in tongues (See Acts 19:1-6.)

✠ Shoulder pain completely healed

**LSU FOOTBALL GAME**

Dawn and I got invited to attend the Louisiana State University's football game and tailgate party in Baton Rouge. We knew there were going to be a lot of people to minister to, and were able to get free tickets. We were able to share with several people, but the highlight was an African-American couple.

Both of them were really touched by God. They dedicated their lives to the Lord, and got filled with the Spirit evidenced by speaking in tongues.

The entire game experience brought about several revelations. How is it the LSU stadium can pack out at over 93,000 for a football game, and many churches are barren on Sundays? God is way more exciting than any football game. Is the church somehow missing the mark?

**MINISTRY IN MISSISSIPPI**

Dawn and I had the privilege of ministering in the Gulf Port in Mississippi. We were able to pray for a man who had two stints in his heart following a surgery.

While we were praying for him, the Lord gave me a word of knowledge pertaining to him having a hurt left shoulder. I asked him, "Are you having pain

in your left shoulder at all?"

"Yes, I do. My shoulder constantly hurts."

I replied, "In the name of Jesus Christ, I command all the pain to go to the cross, and for your body to come into alignment with the will of the Father."

The man we prayed for didn't necessarily notice any change in his body at the time. However, we heard from him several days later saying, "My shoulder has no more pain at all. It has hurt for years. I have been checking it the last few days and there is no pain at all. I am totally amazed."

If the Lord healed this man's shoulder, I wonder what the Lord may have done to his heart? It is not beyond the Lord's ability to supernaturally remove heart stints, and give him a new heart.

**SAILING IN A STORM**

Dawn and I had an opportunity to go sailing on one of Louisiana's many lakes. The weather certainly wasn't very favorable due to a storm, but since we have never been sailing before, we decided to go. The experience reminded us of Mark 4:35-41.

*<sup>35</sup> ... "Let us cross over to the other side." <sup>36</sup> ... And other little boats were also with Him. <sup>37</sup> And a great windstorm arose... <sup>39</sup> Then He arose and rebuked the wind, and said to the sea, "Peace, be still!" And the wind ceased and there was a great calm.*

The moral is, life can often produce storms. We can either have Jesus in our boat—who is able to calm the storms in our lives—or choose to ride out the storms in our own efforts. However, Jesus is able to give you rest for your souls. (See Matthew 11:28-30.)
