SHEKINAH CHRONICLES

By: Nathan D. Pietsch

Dear Friends and Family,

August, 2012

August was a great month for Dawn and I on the mission field. We made it back to the west coast after two years. Here is a brief list of some of the highlights from the month.

- ✠ People received Jesus, were baptized in the Holy Spirit, and spoke in tongues (See Acts 19:1-6.)
- ✠ Attended the Harvest House conference with Hamilton and Helena Filmalter in Orange County.
- ✠ Door-to-door outreach in Laguna Hills, CA.

BIG BEAR VILLAGE, CALIFORNIA

Dawn and I went to Big Bear, California. While at the Village, there were many people outside walking around. Surely God wanted to encounter somebody. As we were looking around, a woman in her fifties was highlighted. The Lord revealed to me in a specific word of knowledge that she was suffering from carpal tunnel syndrome in her left hand.

I walked up to her and said, "Excuse me, while I was walking down the street, the Lord revealed to me that you have carpal tunnel syndrome in your left hand. Can I pray for you to get healed?"

The woman replied, "How did you know this? Because I do have carpal tunnel in my left hand. I also have a lot of wrist pain in my right hand too." I then asked, "Do you mind if we pray for you?" "Sure, go ahead," she replied.

She was very receptive to us praying for her. After we finished, we asked her what she was feeling.

The lady looked at us with a puzzled look. "I feel goosebumps all over my body. Look at my arms."

Her eyes were also welling up, as she was fighting back the tears.

The woman was already a Christian, and she was very thankful that we had prayed for her.

SANTA MONICA, CALIFORNIA

I went to a weekly, free beach concert in Santa Monica with a friend since Elementary School. There were hundreds of people at the beach. I began looking for people whom I might pray for. I walked under the Santa Monica pier and met two Hispanic men in their thirties. Both of them were blind. It was certainly my desire to see these two guys get miraculously healed.

I approached them and said, "Excuse me. I've witnessed healing miracles before. Can I pray for a miracle healing in your eyes in the name of Jesus?" One of the guys was named, Juan. He thought for a moment and then replied, "Yes, absolutely."

I prayed for healing in his eyes, and then asked him if he was feeling anything, or noticed anything taking place in his body. He was completely unable to answer. He began to choke back tears as the Holy Spirit touched him. He actually never told me if there was any change in his natural vision, but he could sense something powerful was taking place on the inside of him.

I asked Juan, "Would you like to get a fresh start with the Lord?"

Juan could barely speak, and nodded his head, "Yes." I was able to lead Juan through the sinner's prayer, in which he received Jesus into his heart. It was amazing. Juan had just had an encounter with the living God. His life will never be the same.

Nathan and Dawn in Big Bear, CA. We got to encounter and pray for several people in the Village.

Nathan on the southern California sand at Venice Beach. There are a lot of weirdos here.

The free beach concert in Santa Monica, CA. There were hundreds of people who I could minister to.

Nathan and Dawn in a park in Thousand Oaks, CA.

Dawn in Solvang, CA. Solvang is a cute Scandinavian Village in the mountainside.

Dawn and I got to encounter several people while in Solvang, and pray for some of them.

*Abundant Blessings,
