SHEKINAH CHRONICLES

By: Nathan D. Pietsch

Dear Friends and Family,

July, 2012

July was a great month for Dawn and I on the USA mission field. Here is a brief list of some of the highlights from the month.

✠ Numerous people received Jesus, baptized in the Holy Spirit, speak in tongues (See Acts 19:1-6.)

✠ Traveled from Louisiana to California.

FEED THE MULTITUDES

Dawn and I attended the annual, *Feed the Multitudes* outreach at Victory Fellowship in Metairie, LA. Victory Fellowship has been putting on a citywide free food festival for the past 23-years. There were about 5,000 people who attended the event. Many people who attended were poor, homeless, and needy.

Dawn and I had the great privilege of leading the evangelism team. There were about 30 people on the team. We were able to train up and activate them so they felt comfortable ministering to the multitudes.

Throughout the day, many people were touched and blessed by God. Numerous people shed their burdens, and received Jesus into their hearts.

DEAF AND MUTE SPIRIT

Dawn and I went to the store in La Quinta, CA. While we walked, I saw a teenage boy walking by himself. I knew I was supposed to pray for him. I could also tell, he had demons crawling all over him.

When I first saw him, I thought in my mind, "This guy could do something like James Holmes in the Aurora, Colorado massacre." I prayed for favor and walked up to him. I said, "Excuse me, we've been seeing healing miracles lately. Is there anything you

need prayer for?"

He then pointed at his ears and mouth and shook his head, "No." I then knew I was dealing with a deaf and mute spirit.

In Mark 7:31-37 & 9:14-27, we have examples of Jesus healing people with similar conditions. I continued to try and communicate with the youth. He clearly was annoyed at me, but I knew I had to pray for him. He then reached into his pocket and pulled out his smart phone. He typed on it and said, "I can't hear or speak. You have to write it out."

Unfortunately, I don't have a smart phone, but I did have a pen and paper. I wrote, "I saw you when I first walked in. I knew I was supposed to pray for you. Can I pray for you?"

He then replied on his phone, "Are you a Jehovah Witness?" I shook my head, "No," and wrote, "I love Jesus. He is doing great things." The young man then wrote, "Go talk with somebody else. I am good for nothing."

I responded. "No, that's not true. God created you. You are very special, and you have a destiny to fulfill." I could tell he had many soul wounds caused from his physical infirmity. I could also tell I was getting some breakthrough with him.

He was a little antsy while I was praying, and he began to walk away before I felt he was ready to. Dawn was also able to write out a prophetic word of encouragement for him on a piece of paper.

We don't exactly know all what God did for this young man in this brief amount of time, but I do know, he got touched by God in a special way. It was evident by his smile.
