**SHEKINAH CHRONICLES**

By: Nathan D. Pietsch

Dear Friends and Family,

June, 2012

June was a wonderful month for Dawn and I on the USA mission field. Here is a brief list of some of the highlights from the month.

- ✠ Numerous people received Jesus, baptized in the Holy Spirit, speak in tongues (See Acts 19:1-6.)
- ✠ Homosexual man's back pain healed
- ✠ Prayed and prophesied over women at, Hex Old World Witchery store in the French Quarters

**IT'S WEIRD HERE**

Dawn and I have been leading a weekly Friday night outreach in New Orleans. People who are interested in learning how to do street ministry attend. We train them up and activate them for ministry. We then take the team onto the streets.

While on the streets, we met Randy. We were able to pray and prophecy over Randy. He was so touched, he kept saying to us, "I want to cry."

We were able to lead him through the sinner's prayer, in which he received Jesus into his heart. Randy then got filled with the Holy Spirit, and began speaking in tongues. After he was baptized in the Holy Spirit and fire (see Matthew 3:11), Randy said, "Man, I feel so hot now. Look how sweaty I am." The Holy Spirit really touched his life.

While we were walking around Jackson Square, a woman named, Deanie was highlighted. Deanie was reading tarot cards and palm reading.

I got a word of knowledge on her pertaining to a hurt knee. We walked up and said, "Excuse me. Do you have pain in your knee?"

Deanie looked at me and didn't quite know how to respond. "Yes, I do. I have really bad pain in my right knee. In fact, I have degenerative bone disease and it is affecting my entire right side."

I replied, "Well, we're out praying for people. We've seen the Lord heal people on numerous occasions. Do you mind if we pray for you in the name of Jesus?"

Surprisingly, Deanie gave us permission. We pleaded the blood of Jesus over her. We then began to speak healing into her. We also began to prophesy over her, and tell her how much the Lord loves her.

Deanie then said, "I was a daughter of the devil for 20-years. I very recently stepped into the light. I've been meeting with my pastor lately. I have to take baby steps with this though. You don't know what I have been involved in. If I get too much prayer at once, the demons go crazy. I start hearing voices, and I have to fight demons all night. Just by you being here right now, I feel the spirit of anger trying to flare up."

We assured Deanie that, *He who is in us is greater than he who is in the world*. We told her that Jesus wanted to completely set her free from the tormentors. Deanie was appreciative of what we said, but not ready to take the next step. We blessed her and went our way.

We then met Rex. Rex claimed to have a relationship with Jesus, but he also had a lot of demonic mixture interlaced. Rex told us he would hang himself from meat hooks pierced through his flesh on certain "spiritual experiences." We were able to prophesy over him in the name of Jesus, and released him into his God-given destiny.
