TIME TO HEAR

An issue has surfaced that is very alarming to me. I am very surprised at the amount of people who do not know how to hear the voice of the Lord. Without the ability to hear from God, how does one know what to do in their life?

The Bible clearly indicates many people who heard the voice of God, and then followed His voice. Abram heard the voice of the Lord, and did as he was instructed. (Genesis 12:1-4.) The ability to hear the voice of the Lord could actually save your life, or the life of a loved one. God spoke to Joseph in a dream prompting him to take Mary and Jesus to Egypt. (Matthew 2:13.)

There are numerous ways the Lord can speak to you. Two ways to hear from God are through the Bible and visions. Hearing God through the Bible is a very common way to hear the voice of God. In Psalm 119:105 the Bible says, *Your word is a lamp to my feet and a light to my path.* It is important to consistently read your Bible.

People can also hear from God through visions. In Acts 10:9-17, Peter had a vision from God that changed his life and millions of others. If you have a vision or image flash in your mind, be sure to ask the Lord what it might mean. By learning to hear God's voice, you will know where to go and what to do in your life.
