#### NEED FOR DISCERNMENT

The Merriam-Webster Dictionary defines discernment as: the ability to see and understand people, things, or situations clearly and intelligently. I believe we are living at a time in history when we need the spiritual gift of discernment operating strongly in our lives. We need to discern right from wrong, good from evil, and friend from foe.

During Jesus' earthly ministry the religious leaders of the time were so disconnected from God they actually thought Jesus was demon possessed. They were backwards in their thinking, as they confused good for evil. In Matthew 12:22-24 the Bible records:

*<sup>22</sup> Then one was brought to Him [Jesus] who was demon-possessed, blind and mute; and He healed him, so that the blind and mute man both spoke and saw...*

*<sup>24</sup> Now when the Pharisees heard it they said, "This fellow does not cast out demons except by Beelzebub, the ruler of the demons."*

It is crucial to be connected with what the Heavenly Father, Jesus Christ, and Holy Spirit are doing and saying. As you spend time in private devotion with Them, you train your senses to discern what They are doing. If you are able to discern God, you will not need to worry about calling evil good and good evil. The religious leaders missed it horribly, but you won't if you tune in to the Lord.
