NASAL CANAL
INSTANTLY HEALED

Dawn and I met a wonderful Swedish woman this month whom we were able to do ministry with. The three of us prayed for a woman named, "Colleen." Colleen crashed into a brick wall while riding on a motorized scooter. Her face was severely damaged. She had to be rushed to the hospital and receive 21 stitches across her nose.

Fortunately, Colleen didn't break any bones, but her nasal canal was completely swollen shut on the inside. She was unable to breathe out of the right side of her nose.

Dawn, our Swedish friend, and I prayed for her in the name of Jesus for healing. In an instant miracle, the Lord completely opened up her sinus cavity and she was able to breathe normally. We all witnessed it, and Colleen was very shocked her sinus cavity had opened like that. It just goes to show that nothing is impossible with God (Matthew 19:26).

During Jesus' earthly ministry, there was nothing He was unable to cure. The Bible says in Matthew 15:30:
³⁰ *Then great multitudes came to Him, having with them the lame, blind, mute, maimed, and many others; and they laid them down at Jesus' feet, and He healed them.*

If you are in need of healing, look to Jesus for a miracle.
