#### STOP FOR THE ONE

Dawn and I had the privilege to be part of a ministry team at a large international conference. With over a thousand people, it was easy to go "unnoticed". That was the thought of a woman named "Hannah." When it was time for Dawn and I to pray for people, there were hundreds wanting prayer. We noticed Hannah sitting quietly in her chair. She wasn't asking anybody to pray for her.

We felt prompted to go and talk with her, even though we were more obligated to pray for those at the front. We approached Hannah and asked if we could pray for her. She agreed. We soon learned Hannah had many emotional issues she was trying to overcome. Dawn and I were able to release great hope into her from the truths found in the Bible. She was so grateful Dawn and I stopped to minister to her, despite hundreds of people wanting prayer.

Hannah continually said to us with tears in her eyes, "I can't believe you stopped for me. Out of all of these people, you stopped for one. You stopped for me."

I believe Hannah gave us a beautiful reminder that people are craving a personalized touch from the Heavenly Father, Jesus Christ, and Holy Spirit. I believe there is something we can all do to enhance the life of another. Sometimes it might just be a smile or a simple compliment. Whatever that looks like to you, we are all called to stop for the one.
