National Park.

We have now finished our three month ministry tour in Europe. We were able to see Switzerland, Liechtenstein, Austria, Germany, and France. Our time has ended, but Dawn and I were not ready to leave. We really enjoyed the people, the ministry, and all that God was doing. We thought our very intense ministry schedule would lighten, but it actually increased. There were so many more things we wanted to do. I also have two good friends elsewhere in Switzerland I wanted to see, and some in France, but we were unable to make those trips.

Dawn & I got to visit the  
Hambacher Castle in Germany.

We were blessed with an  
unexpected day trip to France.

While in Europe, our weeks were filled with preaching in churches, leading seminars and workshops, and praying for people in one-on-one appointments. God moved in very powerful ways. Many people received emotional and physical healing along with deliverance. We have now made so many friends in Europe, it was hard to leave. We would like to come back in the future and continue helping in this great revival that has begun.

We got to preach at an amazing  
African church in Austria.

As we readjust to life in the United States, we begin a new season of ministry. We are very excited to see what God will do. We know God will continue to move powerfully because the Bible says in 1 Corinthians 4:20, "The kingdom of God is not in word but in power." God is encountering people across the globe and drawing hearts to Himself. It is marvelous to see, and even better to be in the middle of it.
