## 2018 in Review

By Nathan D. Pietsch

I started the year of 2018 in Africa. After 35-days in Nigeria, I flew to Kenya to preach at the "Supernatural Gospel Crusade" as the main speaker. We ventured 14-hours by car from Nairobi into a remote village in western Kenya. Over the course of the three night event, thousands of people attended to encounter the Heavenly Father, Jesus Christ, and Holy Spirit. Hundreds were physically healed, were delivered of demonic influences, or received salvation by accepting Jesus Christ as their personal Lord and Savior.

After nearly two months in Africa, Dawn and I flew to Cabo San Lucas, Mexico for six months to do ministry. While in Mexico, we were able to preach in churches, conduct equipping workshops, help children in orphanages, and open air preach. All of our ministry was in the barrio. The barrio is the area of extreme poverty. They live in plywood houses surrounded by dust and dirt. Regardless of their living conditions, God did a mighty work amongst them.

After our return to the USA, we had open invitations to preach and minister in California, Oregon, and Washington. We were able to preach at the, "Living in the Supernatural Conference" and the "2018 Intercessor's Summit." These events were very powerful, and the people were radically impacted.

It has been quite a journey, and we want to thank you for your prayers, financial support, and encouragement.
