NATHAN IN NIGERIA, AFRICA

By Nathan D. Pietsch

I started the year of 2018 in the African country of Nigeria. This is now my third trip to Nigeria. I will then fly to Kenya in February. Nigeria is a very difficult country to live in because their infrastructure is basically non-existent. The power regularly fails resulting in no electricity. They do not have a water drainage system, so their roads are often flooded, making it difficult to travel. Despite the complications, the ministry is wonderful.

The people are very hungry for the authentic Gospel of Jesus Christ and true demonstration of the Holy Spirit. Their medical system is so basic the people must rely upon supernatural miracles of healing. Many Nigerians are now searching for churches who can offer them healing and freedom from demonic spirits. Unfortunately, many go to these churches as "their final bus stop." Most have already gone to the village witchdoctors in an effort to receive healing and deliverance.

The witchdoctors use deviant means in their "healing" practices. This often leaves the people in a much worse condition. As a disciple of Jesus Christ and carrier of the Heavenly Kingdom, I help these people obtain freedom by the power of the Holy Spirit. The Apostle Paul wrote in 1 Corinthians 2:4-5 (NKJV), *"My speech and my preaching were not with persuasive words of human wisdom, but in demonstration of the Spirit and of power, that your faith should not be in the wisdom of men but in the power of God."* Please keep me in prayer as I deal with high level demon possessed people on a daily basis.
