Kidney Instantly Healed

By Nathan D. Pietsch

The theme for Dawn and I in the month of August was, "transition." It was sad for us to leave New Orleans, but we have since relocated to the west coast. Dawn spent half of the month in southern California visiting family and helping her daughter-in-law. Dawn's daughter-in-law is expecting a baby in October, but started contractions two months early. Dawn was able to help her family in many areas. Please keep them in prayer.

Another highlight of the month was being able to pray for an amazing dynamic couple in Vancouver, Washington. The woman is originally from Italy, but now lives in the USA. She had been having kidney pain for several months with no relief. Dawn and I arranged a one-on-one prayer appointment with her. After the prayer, she immediately felt relief. She sent us a text message several days later still jubilating over her instant kidney healing. This is what she wrote: "I am happy to tell u that the left kidney area where I had pain for a few months THE PAIN left me. When I woke up the next morning no more pain till this moment gone!!!"

We believe the world is on the verge of a great outpouring of the Holy Spirit as described in Joel 2:28-29. The Bible says: ²⁸ And it shall come to pass afterward that I will pour out My Spirit on all flesh; your sons and your daughters shall prophesy, your old men shall dream dreams, your young men shall see visions. ²⁹ And also on My menservants and on My maidservants I will pour out My Spirit in those days." If you have been discouraged, it is time to strengthen yourself in the Lord and prepare for more healing miracles to be released on earth.
