50 Demons Cast Out

By Nathan D. Pietsch

Dawn and I have been street preaching in the French Quarter. While I was preaching on the healing miracles of Jesus, a woman named "Felisha" fell into my arms weeping. She began to cry out, "I need healing. I need Jesus in my life. I need to give my life to God." I was then able to lead her through the sinner's prayer. Afterwards, I said, "In the name of Jesus Christ, I command all darkness to come up and out right now."

She immediately began to manifest demons. Throughout the night Dawn and I cast out many devils. Felisha received freedom from: drug use, alcohol, sexual spirits, abortion, snake spirits, unholy soul ties, and witchcraft. That night we cast out about 25 demons, and also led her boyfriend to Jesus.

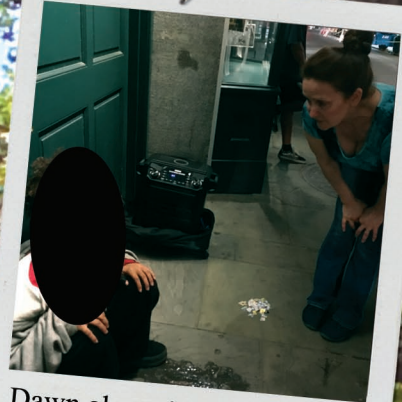

At one point she vomited demonic poison out of her body. When she looked at the pile of vomit she said, "That is the demon that entered me when I took acid the first time. When I took acid, I felt something evil enter me. When it came in, I felt a huge pop in my chest. Now I know it is out of me."

Three days later Felisha contacted us and said she was not doing well. We went to her house and prayed for her again. We cast out another 25 demons or so that were connected to her soul. Exactly seven days from the first day we met Felisha and her boyfriend, we saw them again. The transformation in their lives in this short period is miraculous. If they continue to follow the Lord, they will be used very powerfully for God's glory.
