The Year in Review 2020

By Nathan D. Pietsch

I spent the first two months of 2020 in the African countries of Nigeria and Kenya. It was an amazing time of ministry. While in Nigeria, I partnered with a large ministry called, Christ Mercyland Deliverance Ministries. Tens of thousands of people came to receive counseling and spiritual freedom. Multitudes also came to receive prayer for physical healing. Since the medical system in Nigeria is so primitive, people live with horrendous diseases and infirmities. I saw people with tumors ready to explode, eyes popping out of their sockets, flesh eating breast cancer, giant goiters, skin diseases, lameness, and HIV. These people came to receive prayer for healing, and many do leave with a miracle.

After my time in Nigeria, I flew to Nairobi, Kenya. While in Kenya, I was the main speaker at an open air Gospel Crusade. I also preached at Hope Church. Many people received Jesus as their Lord and Savior, physical healing, and deliverance from tormenting spirits. God showed up in very powerful ways. I was able to make it back to the United States only weeks before the borders were closed due to Covid-19.

The pandemic put a halt on all our ministry plans. Speaking engagements, international trips, and gatherings were canceled. We had to adapt to the circumstances, so we started a prayer movement and also ministered to many people using Zoom. We were grateful for those opportunities. We are praying for a global Holy Spirit outpouring for 2021. In the meantime, we want to thank you so much for being a part of our lives and ministry.
