## *America in Turmoil*

*By Nathan D. Pietsch*

This past 4<sup>th</sup> of July was the most interesting one I have ever experienced. Usually it is a time of celebration as the nation reflects upon the thousands of men and women who have sacrificed so much to give us the freedoms we enjoy today. However, this year did not have a celebratory atmosphere as the nation experienced, chaos, division, and anarchy.

America is in a crucial point in its history. It is teeter-tottering in the balance of which way culture will shift. The body of Christ has a major role in these last days to prevent the scale from flipping towards destruction. It is time for us to arise and shine. (See Isaiah 60:1.)

If we look at the story of Nineveh in the Book of Jonah, God gave the prophet instructions to cry out against the city. Jonah said, "Yet forty days, and Nineveh shall be overthrown!" (See Jonah 3:4.) The people responded in humility, prayer, and fasting while sitting in sackcloth and ashes. In verse ten, the Bible tells us God saw their works, and how they turned from their evil ways. This resulted in the great disaster being thwarted.

As America sits in the balance and the world watches, let us rise up in powerful prayer like never before. Let's dismantle destruction and usher in a great outpouring of the Heavenly Father, Jesus Christ, and Holy Spirit that will impact the world.
