Reader Discretion - Vampires Amongst Us

By Nathan D. Pietsch

Dawn and I received a request to pray for a young lady named "Amber." She is in her late twenties. Amber was going through major issues in her life. She was very tormented, had no peace, and was on the verge of a mental crisis. As we started to pray, the Lord revealed spiritual roots underlying Amber's misery.

Dawn and I started by declaring Scriptures. In the spirit realm, I saw a demonic entity in the form of a vampire come forth and confront me. We asked the girl what her connection was to vampires. She said, "Several years ago, I used to be a vampire." She relayed how she became involved with a group who lived a "vampire life-style." They would drink each other's blood, perform rituals, and defile themselves through orgy parties.

As Dawn and I prayed, the vampire spirit began to manifest. We cast it out in the name of Jesus and by the power of the Holy Spirit. We also led Amber through prayers of repentance. We were able to "close the door" to her demonic attacks, so her relationship with the Lord could begin to flourish. However, she still needs to live out her freedom and not open the doors again to the enemy.

The spirit world is very real, and the devil will do anything to destroy people. The Bible says in 1 Peter 5:8, "Be sober, be vigilant; because your adversary the devil walks about like a roaring lion, seeking whom he may devour." Do not let the enemy have a foothold in your life, but rather live your life fully surrendered to God.
