Warriors Arising Apostolic Center

By Nathan D. Pietsch

For the first time in over a year, Dawn and I had the opportunity to teach, preach, and share the Good News of the Heavenly Father, Jesus Christ, and Holy Spirit to a live audience. We are invited to speak at the Warriors Arising Apostolic Center in Junction City, Oregon, USA. It was very refreshing to be able to interact with those in attendance. It felt as if there was no remembrance of Covid-19.

I was scheduled to share on Inner Healing and Deliverance. This is a less known topic in the western churches, but was perhaps Jesus' most significant ministry mandate. Jesus said in Luke 4:18 (NKJV), "...He [Father God] has sent Me to heal the brokenhearted... To set at liberty those who are oppressed." God sent Jesus to perform Inner Healing and Deliverance on people.

It was remarkable to see God move during the four days of gathering. People received freedom from emotional wounds, traumas, and evil spirits. Sins connected to abortion, sexual immorality, homosexuality, drinking human blood, incest, molestation, anger, and rage were washed away by the blood of Jesus Christ. (See Revelation 1:5.)

If you are struggling with various issues in your life, I encourage you to cast your burdens upon the Lord. God is able to sustain you (Psalm 55:22). The Lord desires to bring healing and wholeness to your soul.
