The Year in Review 2021

By Nathan D. Pietsch

Despite the global shaking, Dawn and I were able to advance God's kingdom in powerful ways. People contact us from around the world who are in need of major freedom from evil forces. After we schedule their appointment, we pray for the power of the Heavenly Father, Jesus, and Holy Spirit to set them free.

We also spoke at numerous revival meetings located around the state of Oregon. The events were three to four days each. The highlight conference for me was ministering to the Marshallese people. They were so hungry for the presence of God that He had to show up. Everybody in attendance encountered God in a special way.

During the summer months, Dawn and I went to minister in the local park with our friend, Kimarie. She is a gifted worship leader. We took our PA sound system to share the Gospel with the homeless. On one occasion, a very tormented man approached us. As he drew near, he collapsed under the anointing of the Holy Spirit. We were able to remove many demonic spirits, pray for healing, and lead him into a relationship with the Lord.

I also spent the entire month of November in Nigeria, Africa. That was my sixth mission trip there. God did wondrous works. I plan to release a full report of photos and videos in January, 2022. Dawn and I want to express our deep gratitude for the people who support our ministry financially, prayerfully, and through friendship. May the Lord bless you all abundantly in the name of Jesus Christ.
