Moving Into a New Era

By Nathan D. Pietsch

On January 1st, 2021, I preached a message on YouTube entitled, "Crossing from 2020 to 2021: Moving Into a New Era." I laid a solid Biblical explanation from the Book of Exodus 14. In this chapter, the children of Israel found themselves blocked by the Red Sea with the Egyptian army barreling down upon them. It was at this desperate moment when God moved on behalf of His people.

The Bible tells us the Angel of God who went before the camp of Israel, moved and went behind them. The pillar of cloud acted as a barrier between the Israelites and Egyptians. This prevented both of them from coming near the other all that night. God became a shield for Israel protecting them from the army of destruction. (See Exodus 14:19-20.)

God then instructed Israel to move forward towards the sea. At that moment, the Lord used Moses to part the water so the Israelites could march on dry ground (Exodus 14:15-16). As Israel progressed, the Egyptians pursued. God intervened again by troubling Egypt (Exodus 14:24-25). Once Israel crossed the Red Sea, God brought the waves back upon Egypt and destroyed the enemy forces (Exodus 14:26-30).

If you have been feeling that the enemy is raging against you and there is no escape, look for the invisible path God has placed before you. (See Psalm 77:19-20.) God will lead you through and fight on your behalf.

A man stopped us in the forest. He was distraught and crying.

His dog died, so I ministered to the man and did a burial service.

Nathan in the deep wild of the Rocky Mountains, sort of.

Dawn posing with the wildlife at a sporting goods store.

Nathan's brother, Tim and his wife visited for New Year.

The beauty of God's creation.
