Spiritual Warfare

By Nathan D. Pietsch

Throughout the month of February, Dawn and I received deliverance prayer requests from people nationally and internationally. We have been seeing a tremendous increase in people desiring to set up prayer appointments with us. As tension increases spiritually and politically, some people are becoming desperate.

In one session we prayed for a California woman in her forties named, "Samantha." Twenty years ago, her boyfriend sold her out to a high ranking satanic warlock. The warlock has been tormenting and torturing her since. The evil man astral projects to her throughout the day and night. He burns her with fire, places Voodoo needles throughout her body, causes bad thoughts, and applies pain to Samantha. At times, Samantha feels her arm burning with fire even though there is no physical fire.

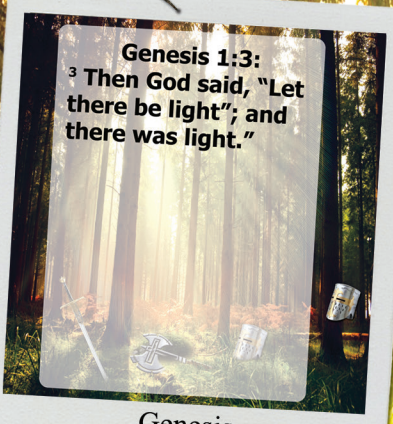

We were able to cast numerous evil forces out of her. During the process, she vomited and spoke with a deep, growling voice. We also closed the spiritual doors that allowed the warlock access to Samantha. In the end, we obtained a great victory for Jesus.

The Apostle Paul wrote in Ephesian 6:12 that we are in a spiritual war. We must know how to be victorious over the forces of darkness. A great way to ensure victory is to declare Scripture. In this *Frontline Chronicles* edition I have included numerous Scriptures for you to use. The word of God is living and powerful!
