## *The Year in Review 2023*

*By Nathan D. Pietsch*

It is amazing another year has come to a close. It is always a good idea to reflect upon the year and recall what God did in and through your life. Dawn and I prayed for many people for inner healing and deliverance. Many of those sessions were online through Zoom. The people we prayed for experienced great freedom and healing.

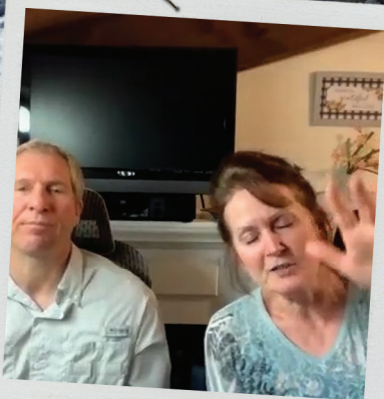

Another great highlight during the year were my ministry trips to Washington State. I preached at multiple venues and a tent revival. God showed off His power. A woman who was carrying a 50 year old emotional wound was instantly healed. In the spirit realm, a man saw dirt and debris pour out of his ears and he began to clearly hear the voice of God. Another lady received major freedom from a spirit of death.

A miracle of healing occurred when we prayed for a woman who had severe pain in her left arm. Another lady had constant back and neck pain. She had fallen down stairs some years ago and broke her back and neck. She was able to walk, but she suffered with great pain. After she received prayer, she testified and said, "I saw something like a snake leave my spine and neck. I don't hurt any more. I know a spirit of infirmity left."

Dawn and I want to say thank you to every person who has helped us in our ministry call. We would not be able to continue to be full time ministers without your prayers, help, and support. May the Lord bless you abundantly in the name of Jesus.
