God Moved in Washington State

By Nathan D. Pietsch

In the month of July I had the wonderful opportunity to preach at a tent revival outside of Spokane, WA. The people in attendance were very hungry to receive a fresh touch from the Heavenly Father, Jesus Christ, and Holy Spirit. The Lord was faithful to answer His word from Matthew 5:6 when Jesus said, "Blessed are those who hunger and thirst for righteousness, for they shall be filled."

A woman who was carrying a 50 year old emotional wound was instantly healed. In the spirit realm, a man saw dirt and debris pour out of his ears and he began to clearly hear the voice of God. A woman received major freedom from a spirit of death. The death spirit had already killed many people in her family including her daughter four months ago. People had visions of heaven, saw in the spirit, and prophesied over each other according to 1 Corinthians 14:4.

I also preached at a church just outside of Seattle, Washington. God moved in such a powerful way. Many people were blessed as a new level of freedom, power, and authority invaded their lives.

I believe God is pouring out His Spirit on all flesh as stated in Joel 2:28. The Lord is looking for people to empower during this time. God wants to use you for His glory in order to bring freedom to other people. All you have to do is be a yielded vessel and God will fill you up so you can pour out on others.
