## *Outpouring of the Holy Spirit*

*By Nathan D. Pietsch*

In the past month, pockets of revival and outpouring have been springing up all over the United States and numerous countries. Kentucky saw a mighty move at Ausbury University resulting in thousands of people flocking to receive a touch from the Heavenly Father, Jesus, and Holy Spirit. This outpouring quickly spread across the globe.

It appears a move of the Holy Spirit is on the Lord's heart. The movie, *Jesus Revolution* also hit the theaters and played nationwide. This movie is centered around the great, *Jesus People Movement* in the 1960s and 70s. During this time, thousands of people left the drug culture to experience a true encounter with Christ. There are many documented miracles from this move of God.

The Bible gives us insight into the last day outpouring. Joel 2:28-29 says, "...I [God] will pour out My Spirit on all flesh... <sup>29</sup> And also on My menservants and on My maidservants I will pour out My Spirit in those days." Are we about to witness another great awakening?

If we are in fact getting ready to see a great outpouring from God, what should we do individually to prepare? Farmers prepare their fields for harvest. Fishermen prepare their nets to catch. Ask the Lord if there are practical steps He wants you to do to be ready for the outpouring of the Holy Spirit.
