gathered at the state capitol.

Prayer Warriors Arising

By Nathan D. Pietsch

I believe the year of 2024 is one of the most significant years in American history. Followers of Jesus all over the nation are feeling it as well, and prayer groups are mobilizing. In the month of April, I attended a large prayer gathering at the state capitol in Oregon. Intercessors from every U.S. State congregated at their state capitols to pray as well. Nationwide, over 20,000 people assembled to pray for America.

There were about 1,000 prayer warriors who met in Salem, Oregon. The group who organized the event is known as #dontmesswithourkids. Their mission is to pray, fast, and stand for families. Jenny Donnelly, the founder of the movement said, "Families are being ripped apart at the seams by an agenda determined to sexualize our kids."

While at the event in Salem, I was able to join others from around Oregon to pray for the well being of America. I was also one of the few to have a booth table at the event. This enabled me to speak with people, pray for individuals, and talk about my books, "Declaring the U.S. Constitution," "Declaring the Bill of Rights," and "Declaring Amendments 11-27."

If there was ever a time for you to rise up in your faith and pray for the United States, now is the time. Your prayers will help transform America and shape history. It is time to arise and shine. (See Isaiah 60:1.)
