The Holy Spirit and Fire

By Nathan D. Pietsch

In the month of March, I had the wonderful opportunity to travel to northern Oregon and do ministry at a church. I was scheduled to lead an all day street outreach on Saturday and then preach two sessions on Sunday. However, due to a massive snow storm that ravaged the state, I was unable to attend the outreach. Sunday proved to be very powerful as the group was hungry to encounter the Heavenly Father, Jesus, and Holy Spirit.

I preached on the importance of being baptized in the Holy Spirit and fire. The key Scripture was taken from Matthew 3:11. The Bible says, "I [John the Baptist] indeed baptize you with water unto repentance, but He [Jesus] who is coming after me is mightier than I, whose sandals I am not worthy to carry. He will baptize you with the Holy Spirit and fire."

As you study the Scriptures on this subject, you see that the fire of God is crucial for the followers of Jesus. The fire empowers, purifies, protects, draws out demons, and unlocks destiny. In the message, I explained each of these features in detail.

I also prayed for the group, and wonderful testimonies came forth. A woman who had a locked shoulder for years could instantly move her arm. Another woman bound in fear received deliverance. A man wrapped in both shame and fear experienced freedom. The Lord moved in a powerful way because of His great love.

Various Photos From March, 2024

It was so nice to have a clean and furnished room when I preached.

Rocky does not seem to be cold in the snow.

It was nice to have a fresh blanket of white powder.

Our bump out wall got covered with sheet rock.

The remodel in our house is making progress.

I found this photo from 2007 of me sitting in an F-15 jet.
